

Bachelor of Arts Program in Japanese

The Bachelor of Arts Program in Japanese at SSRU is designed to provide students with knowledge of the Japanese language and culture for developing appropriate understanding and attitudes for intercultural communication. It emphasizes communication skills through listening, speaking, reading, writing, and translation. In addition, an exchange program provides an opportunity for students to study the language and the culture in Japan.

With your B.A.(Japanese), you can expect to acquire competence approximately equivalent to Level Two of the Japanese Language Proficiency Test which is essential for further studies and future careers in both government and private sectors.
